

WE INVITE YOU TO SUBMIT PRESENTATIONS

The 13th INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE ON CHANGES IN PUBLIC GOVERNANCE:

DATA-DRIVEN AND AI-ENABLED PUBLIC GOVERNANCE

This conference aims to explore emerging trends in the application of artificial intelligence in the public sector, highlight good practices of data-driven decision-making in public governance, and create a platform for scholars and practitioners from Lithuania and other countries to share research findings, practical insights, and emerging challenges. The conference invites participants to examine the role of technological solutions and artificial intelligence in enhancing public sector performance, strengthening resilience, sustainability and transparency, advancing knowledge management, improving the quality of decision-making, and fostering citizen engagement and trust.

The conference will take place on 13 May

Place: Seimas of the Republic of Lithuania, Gedimino ave.. 53, Vilnius.

We invite you to submit your abstract by 8th of April.

Please submit your abstracts and all participation-related information via the [Registration Form](#)

For any questions, please contact: dr. Justinas Staliūnas
justaliunas@mruni.eu

The abstracts are available in Lithuanian or English. The abstract should include the following:

- Information about the author (name; surname; name of the institution or body represented; country; position; e-mail address).
- Abstract title (no more than 200 characters).
- Abstract text (no more than 3500 characters).
- Keywords.

Information about the acceptance of the submitted abstracts and the program will be sent to you by e-mail by April 30, this year.

Organizers of the conference: Public Administration Competencies Network, Seimas of the Republic of Lithuania, Ministry of the Interior, Mykolas Romeris University, General Jonas Žemaitis Military Academy of Lithuania.
